These items are always needed. In cases of specific needs and instruction, please watch *Thru the Window*.

Shorts (Boys & Girls)

- Knit or woven. Hospital staff prefers elastic waists, no metal and if there is a fly, a closure such as one button so they can be unisex.
    - Shorts open at sides (including waist), Side closures can be Velcro, snaps or grippers.

Hospital Gowns

- Needed in a variety of sizes.
    - All gowns with opening at neck, and shoulder to sleeve. Staff prefers these closures to be ties, snaps or grippers.
